

HEDI CHOUAIEB

Full Stack JavaScript Developer & Cybersecurity Pentester

Sfax, Tunisia |  +216 96 588 245  [in/hadichouaieb](https://in.linkedin.com/in/hadichouaieb)  [git/hadichouaieb](https://git.github.com/hadichouaieb)  [Portfolio](#)

SUMMARY

I am a Full Stack JavaScript Developer and Cybersecurity Pentester with strong experience in building secure and scalable web applications using Next.js, React, and Node.js. I have hands-on expertise in Web Application Penetration Testing, applying OWASP methodologies, and identifying critical security vulnerabilities. I focus on writing clean, high-quality code, improving application performance, and ensuring strong security practices across all my projects.

TECHNICAL SKILLS

Web Development: JavaScript, TypeScript, Next.js, React, Node.js, Express, Electron.js, Laravel, PHP

Databases & Tools: PostgreSQL, MySQL, Supabase, Git/GitHub, Docker, Stripe API, ShadCN UI, WordPress, OpenAI API

Cybersecurity: Kali Linux, Burp Suite, OWASP Top 10, XSS, SQL Injection, Nmap, Metasploit, Wireshark, API Security

Languages: Arabic (Native), English (Fluent), French (Intermediate)

PROFESSIONAL EXPERIENCE

Full Stack Developer — Tidy Patterns

2025

Freelance

Sfax, Tunisia

- Built a full e-commerce platform for selling digital embroidery patterns
- Developed frontend using Next.js with SSR/ISR for SEO and fast performance
- Designed and implemented a secure backend using Supabase (Database + Auth)
- Integrated full Stripe payments: product checkout, order processing, invoices, and webhook handling
